Suggested tiers: 3 + 3 teams. 6 of 7 teams placed; 1 still need placement. Matchup review needed before finalizing.

Read from seed 1 down. Tier lines suggest strength divisions; a division can contain several pools. PitchRank score already adjusts for age, so a younger team playing up can be compared here. State rank is that team's rank within its own PitchRank age and gender group. Limited history means the placement needs a closer look.

Director notes · Boys U13

- Matchup review needed: this split still includes potentially uneven games.
- Small-division fallback: no complete, fully assessed arrangement with every strength division at least 4 teams passes the competitive limits and format restrictions. Smaller pools inside a larger strength division are still allowed.
- Review this matchup: Lone Star Athletic 2013 vs Southside United 2013; projected goal gap 3.42, chance of a 4+ goal margin 55%.
- Limited history — review placement: Southside United 2013.
- Sample data only. Confirm recent results and club context before final placement.
