### Suggested tiers: 3 + 3 teams. 6 of 7 teams placed; 1 still need placement. Matchup review needed before finalizing.

Read from seed 1 down. Tier lines suggest strength divisions; a division can contain several pools. PitchRank score already adjusts for age, so a younger team playing up can be compared here. State rank is that team's rank within its own PitchRank age and gender group. Limited history means the placement needs a closer look.
