16 seeded in published order - 0 held for placement review.

Start with the numbered seed order. Higher PowerScores indicate greater published strength; bars use the same 0-100 scale. Competitive Breaks mark larger PowerScore steps supported by nearby matchups; they do not assign divisions or pools. They remain advisory. PitchRank score already adjusts for age, so a younger team playing up can be compared here. State rank is that team's rank within its own PitchRank age and gender group. Limited history: Fewer ranked games support this score. Keep it as a starting point for placement.
